Re.101/A

Please see enclosure to P.U.C. in which the actual outlay incurred on the work is given as Rs.886-7-4. The rent payable on this amounts to Rs.6-2-1 per mensem (and not Rs.12-10-9 per mensem as provisionally sanctioned). It is therefore necessary to cancel the rent provisionally sanctioned.

Please see S.N.104. Provisional sanction was originally accorded to the payment of an additional proportionate rent of Rs.3/12/- on account of the construction of a two seated latrine for the Railway Police Constables' quarters at Chickjajur.

Now the proposal is to construct a four seated latrine and the proportionate rent comes to Rs.3/15/6. Sanction may be accorded provisionally.

But how does it happen that we sanction a 2 seated latrine and a 4 seated latrine is made ?

18.4.29

Please see telephone message from the Commissioner of Police, flag M.

When sanction was first accorded for a two-seated latrine, the proposal was for the construction of a latrine for the Police Constables only. But now the

(5)

the proposal is a joint one put forward both by the Railway Department and the Police Department for both Police Constables and Railway Porters. Hence sanction is sought for payment of contributory charges for a four-seated latrine.

7 Though the proposal is a jont one, it is a proportionate rent that will be contributed for by the Police Department, and the present proportionate rent is in excess of the former by three annas and six pies only.

Draft is submitted, for favour of approval.

(from para 4)

29/4/29

Why was a telephone message sent to the Commr of Police? It is quite clear from the estimate that the latrine is half for porters and half for police. What I wanted to know is why the whole proposal was not put up in the first instance to us.

Issue draft -then pl speak.
